## Museum-Related Internships

**Curatorial Intern** | Trout Museum of Art, Appleton, WI

Summer 2022

- Met weekly with museum director to review the museum's collections to conceive, organize and research the exhibition.
- Selected works for exhibition and designed an exhibition installation plan.
- Researched and authored a scholarly essay that was published in the exhibition brochure.
- Researched, prepared, and designed didactic materials (text panels, labels) for exhibition and a script for an audio tour.
- Prepared promotional materials and ads.
- Developed educational programs for exhibition aimed at various target audiences and created an education-packet for area teachers.
- Delivered a select number of educational programs associated with the exhibition.
- Created a post-exhibition report and portfolio on the project.

**Student Gallery Intern** | Wriston Art Gallery, Appleton, WI

Summer 2021

- Conducted research on objects in the art collection.
- Performed object cataloging procedures and conducted periodic inventories of collection.
- Applied safe handling practices for art objects and assisted with exhibition installation.
- Took digital photographs and use Photoshop to create digital images of the collection.
- Maintained collection records using PastPerfect.
- Curated mini exhibition.
- Served as a gallery attendant for Senior Art Show.

## General Experience

**Arts & Entertainment Writer** | The Lawrentian, Appleton, WI

September 2020 – April 2022

- Authored articles regarding video games, books, television, movies, and other works of art, including one about the game "Peggle 2", which gained praise on Twitter.
- Curated 85 articles before graduation.

## Technical Skills

- Adobe Creative Cloud, Microsoft Office Suite, Canva, PastPerfect, GallerySystems
