**9:00-10:00 PM**

For fans of *Braiding Sweetgrass*, join us in discussion and Q&A with Sumana Roy about her 2017 book “*How I Became a Tree*,” which was shortlisted for the Shakiti Bhatt Prize. This fiction work utilizes first-person narrative to mix memoir, literary history, nature studies, spiritual philosophies, and botanical research to prompt readers to think of their intrinsic connection with the natural world.
